NEW IRS DISCLOSURE LAW FOR POLITICAL ORGANIZATIONS

A new federal law has been enacted requiring certain disclosures by organizations that are political organizations for federal tax purposes under section 527 of the Internal Revenue Code. Portions of the new filing requirements appear to have very broad application. This office has received several inquiries as to the impact this law may have on statewide and local candidate campaign committees and political action committees. It is very likely that the Boards of Elections will receive questions regarding the scope and application of this law.

Because this is a new federal law, the enforcement for which falls under the jurisdiction of the Internal Revenue Service, all related questions must be directed to the IRS. **Political organizations having inquiries may call the IRS at (877) 829-5500** or visit a topic specific web site www.irs.gov/businfo/eo/polfile.html.

If any Board personnel have any questions regarding this bulletin, please feel free to contact Curt Mayhew, Campaign Finance Administrator, at (614) 466-2585.

Sincerely,

J. Kenneth Blackwell
